Kfar Yona, Israel | 054-6528663 | doryaa13@gmail.com

Executive Summary

Product Development and Techno-Pedagogy Manager with over a decade of experience in educational entrepreneurship, learning systems development, and advanced technology integration. Expert in leading global projects, building B2B and B2C products from the ground up (courses, educational games, digital academies), and managing cross-cultural teams. Combines an entrepreneurial mindset with a deep passion for tech education (Vibe Coding) and gamified learning experiences, consistently driving organizational growth and generating new revenue streams.

Professional Experience

2024 - Present | Product Development Manager, LevelUP (The Global & Business Unit of Unistream)

- **Strategy & Founding:** Co-founder of the business unit; spearheaded the vision, branding, and development of the global unit's product pipeline.
- **Tech & Digital Development:** Characterized, developed, and implemented "LevelUP Academy"—an AI-based learning platform with approximately 200 active users. Designed the marketing website and innovative B2B products, including educational escape room boxes and interactive videos.
- **Global Operations:** Developed content, managed, and trained international teams across Canada, Argentina, Ethiopia, and Nigeria. Orchestrated high-impact entrepreneurship and AI workshops on a global scale.
- **Management & Training:** Created and produced professional content days for high-tech companies, directly managing a team of 12 instructors. Led dozens of practical Generative AI (Gen-AI) lectures and workshops tailored for corporate clients, youth, and senior citizens.

2021 - 2024 | Techno-Pedagogy Manager & SUN Program Manager, Unistream

- Held cross-organizational responsibility for developing technological and pedagogical content for entrepreneurship centers and various educational programs nationwide.
- Characterized, established, and implemented the organizational knowledge management system based on SharePoint, in collaboration with an external vendor.

- Led comprehensive staff training, built detailed lesson plans and learning tracks, and provided professional mentorship to youth-led startups.

2018 - 2020 | Founder & Manager, YourGame Production

- Founded and managed a sports photography production company tailored for lower leagues and youth soccer.
- Responsibilities included recruiting and managing a team of photographers, comprehensive video editing, financial management, and business administration for a diverse client base.

2018 - 2019 | Regional Coordinator (South & Jerusalem), Machshava Tova NGO

- Recruited, trained, and managed a team of instructors delivering digital literacy courses.
- Established strategic partnerships with municipal authorities, drafted contracts, and actively instructed senior citizen populations.

2016 - 2018 | Headquarters & Field Management Roles, Unistream

- **Charger Excellence Program Manager:** Established and managed a national pilot program, which included building a structured sequence of workshops and collaborating with industry leaders and mentors.
- **HR & Recruitment Coordinator:** Built the national screening and onboarding system from scratch, managed phone interviews, and oversaw employee absorption across all organizational roles.
- **Nof HaGalil Entrepreneurship Center Manager:** Oversaw comprehensive management of the center's activities, fostering collaborations with the local municipality, entrepreneurs, and business professionals.

Skills & Core Competencies

- **Product Development & Pedagogy:** Building physical and digital educational products, designing educational games (Gamification), developing Learning Management Systems (LMS), and website creation.
- **Technology & AI:** Advanced Gen-AI tools, Prompt Engineering, Vibe Coding integration, and process automations.
- **Management & Entrepreneurship:** Business Development (B2B), leading and managing international teams, budget management, and digital marketing.

Education

- **2016 - 2019:** B.A. in Education and Communication, Ben-Gurion University of the Negev

(Honors Seminar Graduate in the Communication Department).

- **2006 - 2009:** Full Matriculation, "Ben Gurion" High School, Afula (Majors: Music, Psychology, and Sociology).

Military Service & Volunteering

- **2010 - 2013:** Full Military Service (Staff Sergeant). Team Commander, Mathematics Coordinator, and Company Sergeant Major (RS"P) at the Mikhve Alon Education Base.
- **2009 - 2010:** Year of Service ("Shnat Sherut"), "Eitan" Core Group (Ma'ase Center) in Kiryat Shmona - Mentoring and developing at-risk youth.
- **Unistream Alumni (2006-2009):** Developed a unique patent within the program's framework.
